Summer Camp

Do It The ISG Way

At ISG we're dedicated to teaching the right way. Gymnasts, novices to advanced, will benefit from the gymnastics program we've spent years developing and refining.

The ISG Gymnastics Center is located in Harrison, New York; centrally situated in Westchester, Connecticut, and the Bronx.

Fully Air Conditioned Gym

The Program

Camp runs for seven sessions. Weekly Monday through Thursday.

Morning

The fun begins at 9:30 AM. A brief warm-up and we're off! The morning gymnastics session is devoted to teaching (and learning!) gymnastic skills, proper technique, and routines on all the equipment. Additionally, campers enjoy *circus activities* and theater games.

Afternoon

The fun continues with Group Games, Carnival, and Arts & Crafts. The day ends at 2:30 PM.

(Lunch, and transportation to & from the gym are to be provided by the parents.)

Training Facilities

You will learn faster and easier when you learn on the right equipment. Our gym is equipped with the finest Gymnastics apparatus: Tension uneven bars, balance beams, vaulting, trampoline, mini-trampoline, and a 40'X40' carpeted spring tumbling floor.
